Crossing through the mirror, but how?

by MiaQc

Summary

One-sentence fanfic featuring Alice and Alice Liddell. The younger Alice wants so badly to see her.

- A translation of Traverser le miroir, mais comment? by MiaQc

I want so much to see this Alice who is older than me and whom I am in love with, to touch her, to kiss her but to do that I must find a way to cross the large mirror in my room to reach her world, her own wonderland.
